Douglas Launches New Case Packer for IQF Applications

ALEXANDRIA, MN. (February 8, 2018) – Douglas' new TriVex® CLi case packer is designed specifically for pillow and gusseted bags of Individually Quick Frozen (IQF) products such as frozen vegetables and potatoes. The integrated case erector, upright and flat pack flexibility and large size range meet market demands for case packing both retail and food service bags.

About Douglas Machine Inc.

Founded in 1964, Douglas Machine Inc. is a global leader in automated secondary packaging solutions for paperboard, corrugated and shrink film. The company specializes in the design and manufacture of case & tray packers, shrink wrap systems, cartoners, sleeves and palletizers. Based in Alexandria, MN, Douglas is an employee-owned company that has installed more than 9,000 machines in 30 countries. For more information, visit www.douglas-machine.com.
